Colombo, Sri Lanka

ABOUT ME

Final-year IT undergraduate with practical experience in full-stack development, specializing in building responsive web and mobile applications. Proficient in JavaScript, React, Node.js, and database management, with exposure to AI-based systems and data visualization. Strong problem-solving mindset with experience in debugging, testing, and system design, eager to apply technical skills in a challenging environment and grow as a software engineer.

SKILLS

- Leadership
- Communication Skills
- Problem Solving
- Team Collaboration
- Time Management
- Adaptability

Education

- **BSc(Hons) Degree in Information Technology**
SLIIT – Sri Lankan Institute of Information Technology 2022 - Present
- **G.C.E Advanced Level Physical Science Stream 2CS**
Hindu College Colombo-04 2022
- **G.C.E Ordinary Level 9A's**
Hindu College Colombo-04 2018
- **Cambridge English Entry Level B1** 2017
- **Cambridge English Entry Level A2** 2016

PROJECTS

• Athlete Performance & Training AI System (Python)

Developed a personalized, intelligent visualization dashboard for a real-time athlete training system, enabling performance tracking, adaptive training recommendations, and interactive insights. Designed modular dashboards with charts, timelines, and leaderboards to visualize both historical and real-time metrics, integrated with AI-driven predictions and feedback mechanisms to enhance training efficiency and injury prevention.

Technologies Used: **Streamlit, Python, MySQL, Plotly, Pandas**

• Immigration Website (Astro)

Developed and deployed a modern immigration consultancy website for NirveeVisa.com, providing users with clear information on visa services and migration guidance. Designed a responsive and user-friendly interface to improve accessibility and engagement across devices, with a focus on clean UI/UX for seamless navigation.

Technologies Used: **Astro, HTML, CSS, JavaScript**

• Event Ticketing Management System (MERN Stack)

Developed a full-stack web application for event creation and ticket sales management, enabling organizers to streamline operations with features like a responsive React front-end, Node.js and Express.js back-end APIs, and a QR code-based ticketing system for improved validation and fraud reduction.

Technologies Used: **React.js, Node.js, Express.js, MongoDB.**

• Online Food Ordering (MERN Stack)

Built a web-based online food ordering platform with role-based access, supporting admin CRUD operations for customers, menus, staff, billing, and reports. Also developed a customer-facing interface for seamless food ordering and payment processing.

Technologies Used: **React.js, Node.js, Express.js, MongoDB.**

• Construction Site (MERN Stack)

Designed and implemented a construction site management system with role-based access for admin, supervisors, and customers, enabling project monitoring, report viewing, and customer interaction through a responsive web interface.

Technologies Used: **React.js, Node.js, Express.js, MongoDB.**

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, JavaScript, Python, PHP, Kotlin
- **Technologies and Tools:** HTML, CSS, React.js, Node.js, Next.js
- **Database/Cloud:** MySQL, MongoDB, OracleSQL, AWS
- **Software Tools:** VS Code, Eclipse, IntelliJ, Android Studio, WordPress
- **Hosting Services:** Firebase, Vercel, Netlify
- **Version control tools:** Git/GitHub

LANGUAGES

- English (fluent)
- Sinhala (fluent)
- Tamil (fluent)

WORK EXPERIENCE

Amerck

2025 April-2025 Oct

Intern Software Engineer

- Experience in web development
- Skilled in QA and staging environment deployments
- Hands-on experience with QA testing
- Business analysis with strong client-handling skills

AB starsand

2026 January-2026 Feb

Payment Processing Associate (IT Support)

- Processed digital payments with high accuracy
- Provided basic IT support and resolved system issues
- Monitored transactions and handled processing errors
- Maintained data accuracy, security, and proper records

CERTIFICATIONS

Career Essentials in GitHub Professional Certificate

Career Essentials in Software Development by Microsoft and LinkedIn

ACTIVITIES AND HONORS

Been a School Prefect at Hindu College Colombo -04. 2013/2018

Been a School House Captain at Hindu College Colombo -04. 2021

Been a President of Mathematics Union at Hindu College Colombo -04. 2021

Been a Secretary of Interact Club of Hindu College Colombo-04. 2021

Been a Assistant Secretary of English Literary Association at Hindu College Colombo -04 2021

Been a Committee member of Rotaract SLIIT 2024
